

RECITAL 2024 PICTURE DAY SCHEDULE

J&C Imaging does our Recital photography. Your dancer will receive a photo form the week of pictures. You will turn in the form and pay J&C the day of your dancer's pictures. (No photo proofs will be available.)

J&C will set up in the upstairs studio at WDS. We will do the group photo first then each individual dancer. The downstairs studio will be the girls' dressing room. Boys will use the large restroom. *Please have dancers in full costume (hair done) with light make-up.*
PLEASE NO PHOTOGRAPHY UPSTAIRS WHILE THE SHOOT IS IN PROGRESS.

Be ready 15 minutes before your first picture time!

We often run ahead of schedule.

*****Ponytail** (middle of head) for all dances **except** for 5th grade & older dancers in Ballet and Pointe which will wear a **mid-bun**. If hair is too short for the above, pull sides back.***
