- TECH WEEK** – Please find “Tech Week Schedule” under “Annual Recital” @ dancewashington.com. Each class will have a brief technical rehearsal on the McCain stage during the week of the Recital instead of having class at the studio. Please wear dancewear (with recital t-shirt as an option). NO running around auditorium please.
- DRESS REHEARSAL (immediate family only)** - The downstairs dressing rooms will open before rehearsal (and show time). All students need to be dressed and in their designated rows in the auditorium by 7:00 p.m. on Thursday, or 12:00 p.m. on Saturday. We will begin with the Finale, and then run the show. After your dancer performs, he/she may stay and watch or leave. Parents may take pictures and videos during rehearsal. **NO cameras or video equipment allowed during the Recital.**
- RECITAL** - The House opens 30 minutes before the Recital. Please bring students in the back doors by the loading dock for all rehearsals and before the show. We will have backstage assistants to help with each class, so parents may enjoy the show. During the Recital students will wait in the Green Room where they have a TV monitor to watch the Recital. **After the Recital, please send one parent to pick up your child downstairs, or the Pre Dance and Kindergarten children on stage.** You may access the stage from the front lobby or stage right.
- PERFORMANCE ETIQUETTE** - No food, beverages, OR GUM in the auditorium! Dancers need to listen and be respectful of others in the dressing rooms & backstage for a smooth and safely run show. ☺
- RECITAL VIDEO** – Mr. Video Productions will be videoing both Recitals. You may order the video online at mrvideoonline.com.
- Please be sure your account balance is paid in full prior to the recital. A \$15 service fee may be added to any account balance remaining after MONDAY, MAY 9.**
